WMG Academy Vacancy Advertisement

ABOUT US

Very excitingly, from **September 2026**, WMG Academy Trust will welcome its **first cohort of Year 9 students**. This marks a significant milestone in our journey and enables us to further shape and strengthen our UTC curriculum, reinforcing our business-like, business-led ethos from an even earlier stage.

Due to this expansion, a number of exciting opportunities have arisen across the Trust, including this role. This is a unique time to join WMG Academy and play a part in shaping the future of Engineering, STEM and Digital education.

WMG Academy Solihull is a thriving, *business-like, business-led* education establishment for aspiring young engineers. With a strong emphasis on science, technology, engineering and mathematics (STEM), we offer a distinctive curriculum that includes GCSEs (including core subjects), A Levels, vocational and technical qualifications, or a combined approach.
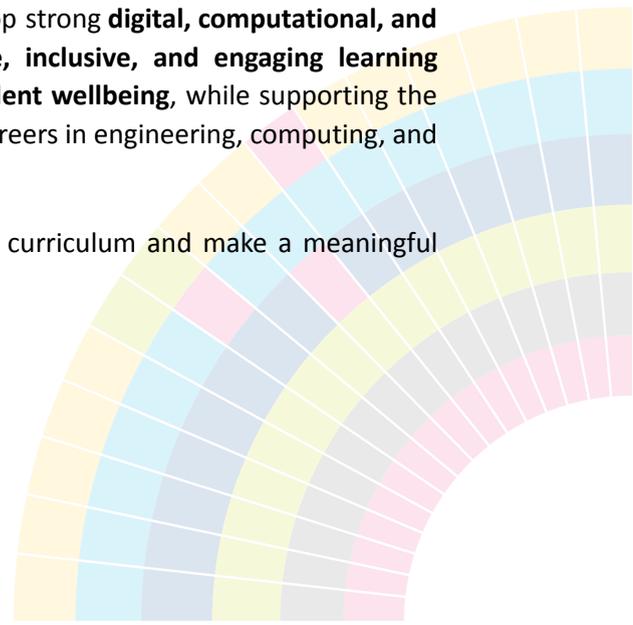

Our career-focused approach to education is designed to engage students, helping them identify their strengths, reach their full potential, and confidently take their first steps into the world of work. From our business dress, structured working day as well as meaningful opportunities to collaborate with industry partners on real-life projects, our students experience an environment that mirrors the expectations of modern engineering and technology workplaces. As a result, parents see confidence grow and employment prospects soar.

WHO WE'RE LOOKING FOR A VERY SPECIAL DIGITAL TEACHER

We are seeking an outstanding and highly motivated **Teacher of Digital** (Computer Science and Electronics) to join our team. Working under the direction of the Line Manager, you will deliver consistently high-quality teaching across **Year 9, Key Stages 4 and 5**, ensuring excellent student outcomes.

The successful candidate will be an exceptional classroom practitioner who embraces our **vision and integrated engineering curriculum**, inspiring students to develop strong **digital, computational, and (where appropriate) electronic skills**. You will foster a **safe, inclusive, and engaging learning environment**, placing a high priority on **safeguarding and student wellbeing**, while supporting the academy's ambition to prepare learners for further study and careers in engineering, computing, and related fields.

This is an exciting opportunity to contribute to an innovative curriculum and make a meaningful impact on students' academic and personal development.

YOU WILL HAVE:

- 5 A*- C (or 9-4) grades at GCSE including English and Maths
- Evidence of continuous professional development.
- Experience of working knowledge of Digital, Computer Science and where appropriate Electronics in the National Curriculum.
- The ability to maintain positive relationships with students, parents and staff
- The ability to demonstrate a sound knowledge of STEM and Engineering Curriculum and how this is fundamental to the being a UTC

WHAT WE OFFER STAFF

- **Development:** Ongoing accredited training and sponsorship for extended skills qualifications.
- **Work-Life Balance:** Generous PPA time and flexible/hybrid working where possible.
- **Wellbeing:** Comprehensive program including physiotherapy, counselling, and VivUp scheme perks.
- **Rewards:** £250 Staff Recruitment Referral scheme and a competitive pension.

Please review the job description and person specification for further information about the role
